

Jize Jiang

BIOGRAPHY

Jize Jiang is a Ph.D. Candidate in Criminology, Law, and Justice at the University of Illinois at Chicago (UIC). He obtained his LL.B. with Distinction from China and M.A. in Criminology, Law, and Justice from UIC. He is a socio-legal researcher who is particularly interested in legal institutions, crime and punishment, and welfare states, and he analyzes them often using historical and comparative perspectives. Over the last few years, he has been working on the legal and criminological consequences of globalization and migration and on comparative historical analysis of punishment and welfare. In addition, he also writes on questions of legal institutions in China and criminological theory.
